Insurance

All participants must have health and accident insurance in order to participate in the competitions.

The CO accepts no responsibility in the event of accident, illness or theft.

Medical supplies

The OC organises medical care.

Media

Media representatives, such as journalists, photographers and television crews, must obtain special accreditation from the OC. Contact the OC as soon as possible.

Accreditation – Tariff sheets - Music

During accreditation, each member of the delegation receives an accreditation card which gives access to the site and which must always be carried on his person.

The competition sheets must be made with the "AcroCompanion" application and sent directly to the application with the music in the correct format.

The registered clubs will receive the details of the information in due course.

Registration

Inscription définitive/nominative	9. January 2022	fsga.svat@gmail.com copy to akroteamgossau@gmail.com
Feuilles de compétition et musiques	15. February 2022	AcroCompanion

Please note the dates and send them to the correct E-Mail address!

Covid

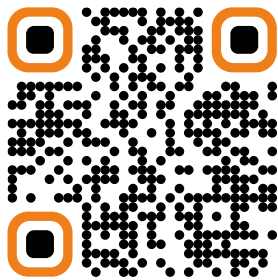

The event will take place according to the cantonal health standards in effect in February 2022. The event is held publicly with 2G rules, provided the federal government and canton allow it at this point.

In addition, direct transmission over the Internet is planned.
